Bisalog

Bisalog, also ***Tagbis***, is a portmanteau of the words "Bisaya" and "Tagalog" which refers to either a Visayan language or Tagalog being infused with words or expressions from the other.

Speakers of Bisalog may often code-switch with English, as well, resulting in what is sometimes called *Bistaglish* or *Tagbislish*.

The word also used by radio station DZRH as a news/talk show where it brings the latest news from around the provinces (via Aksyon Radyo) every Sunday at 7am.
